My Valuable Companion

Among all my personal possessions, the most significant one is undoubtedly an old, slightly worn-out guitar from my late grandfather. Despite a few visible scratches on its wooden surface, its sound remains incredibly pure and warm.

This guitar is much more than a mere musical instrument; it serves as a silent and faithful companion. Whenever I feel overwhelmed by heavy academic pressure or frustrated by unexpected setbacks, playing it instantly brings me inner peace and immense strength. Moreover, it constantly reminds me of my grandfather's unconditional love, teaching me to stay optimistic and persistent through life's inevitable ups and downs.

No matter where life takes me, its familiar melodies will continue to resonate in my heart, empowering me to bravely embrace whatever challenges lie ahead.

参考范文:

Seeing my depression, Lina didn't mention my previous rudeness but proposed a plan. Eager to make amends, I nodded gratefully and we set it in motion. Our forces joined, we split the messy pile into three categories: fairy tales, novels, and review materials. Lina set about creating eye-catching price tags with colorful pens, whereas I humbly borrowed long, elegant ribbons to decorate our table. Knowing students hunted for cheap books, we wiped the juice-stained copies clean and shouted warm promotions. Gradually, as a steady stream of curious buyers gathered, my face flushed with profound guilt for mocking her careful suggestions before.

When the charity fair drew to an end, our book stall unexpectedly topped the donation list. To our immense thrill, the collected cash far exceeded our expectations. The heavy donation box in my hands, I turned to Lina with red-rimmed eyes. Not only did I formally apologize for my unbearable arrogance, but I also thanked her for saving the day. She accepted it softly, a forgiving smile washing away my lingering guilt. Ultimately, this unforgettable experience engraved a priceless truth in my mind: true success is rooted in collaboration rather than blind pride. From then on, I swallowed my ego, always ready to embrace others' valuable advice.

W: Start from £15 when you book in advance, up to £45 on the day of departure.

M: I can't get the discount then.

W: I'm afraid so.

(Text 2)

M: Did you buy that dress, Sophie?

W: Unfortunately not, Luke. They had one in my size, but when I looked at the price, I realized that I couldn't really afford it. It was such a pity as it looked really good on me.

听下面的录音，回答第 3 小题。

(Text 3)

M: Did you get your living room painted, Lydia?

W: No, Peter. I've bought all the paint, but I'm still looking for someone to paint it.

听下面的录音，回答第 4 小题。

(Text 4)

W: I felt the same way.

(Text 6)

W: Have you tried that new restaurant, Paul? The review I read said it was really good.

M: It must have been the same review I read. That's why I went last night. I was disappointed, though, Beth. The service was very slow, and the music was too loud. As for the food, I didn't think it was anything special.

W: I was thinking of going there for my birthday dinner. Maybe I'll choose somewhere else instead.

M: I can recommend a small Italian place nearby. The atmosphere is much better, and the food is excellent.

听下面的录音，回答第 8 至第 10 小题。现在，你有 15 秒钟的时间阅读这三个小题。

(Text 7)

W: I loved the architecture, didn't you?

M: It was so unusual. I mean, when you think of what's being put up in cities nowadays, you know, all the shopping centers and places, then you wonder whether anyone actually bothers to design buildings like that anymore.

W: That's right. And the atmosphere inside was just so quiet — you could really take your time admiring everything on display. Those 18th-century vases were absolutely brilliant. You'd never find

craftsmanship like that in any modern factory.

M: Yeah, they really caught my attention, too. In fact, I'm planning to do some research on ancient vases. So I'll borrow some books from the library later.

听下面的录音, 回答第 11 至第 13 小题。现在, 你有 15 秒钟的时间阅读这三个小题。

(Text 8)

W: So how was your holiday?

M: Great, but it didn't start that way.

W: What happened?

M: Well, I almost missed my plane because I didn't hear the announcement that they'd change the gate. Then when we landed, I was going through passport control, I couldn't find my passport at first — I just forgot where I'd put it.

W: You must be more careful next time.

M: You're right. And on the first night at the hotel, the people next door were arguing about something, which kept me awake. But after that, it was all lovely.

W: So what did you do for the rest of the trip?

M: Well, the hotel staff recommended some local attractions to me. The next day, I went hiking in the mountains and took lots of photos. On the third day, I visited a beautiful beach. In the evening, I tried some seafood at a nearby restaurant.

听下面的录音, 回答第 14 至第 16 小题。现在, 你有 15 秒钟的时间阅读这三个小题。

(Text 9)

W: Hello, David. How's the local history project going? Are you making good progress?

M: Yes and no. We faced various kinds of problems. None of the group has much experience of cooperating on projects, but we spent some time discussing how to go about it and worked out what seemed a useful approach. But it seems that Jane and I are the only ones actually following the plan. This means that we've fallen behind our schedule.

W: I see. And that's tricky.

M: Yes, it is. We felt that the targets had been set so we'd all know what to deal with. But looking back, we probably should have really specified individual responsibilities from the beginning.

W: Well, this is quite a common problem, actually. If you go to the resource center, I think you'd find the advice service they provide. They're helpful at this point.

M: Thanks. We'll go there later.

听下面的录音, 回答第 17 至第 20 小题。现在, 你有 20 秒钟的时间阅读这四个小题。
